

MAHARISHI INVINCIBILITY CENTRES AUSTRALIA

National Coherence-Creating Day Sunday, 26 July 2009

Dear Governors and Sidhas,

We extend a warm invitation to all Governors and Sidhas to attend this nationwide event on the last Sunday of each month by joining the Yogic Flyers at any of the venues around Australia listed below to participate in a special day of long programs, fine company, nice lunch, beautiful knowledge, and an inspiring conference call with one of the leaders of Maharishi's Movement. Another great feature of the day is that the program is structured to enable Yogic Flying to be synchronised throughout the country for a period during the morning, for maximum effect.
